INSPIRED

A NIGHT OF JAZZ, GOSPEL, AND SPIRITUAL MUSIC

From George Lewis's *Jazz at Vespers* to John Coltrane's *A Love Supreme* (which is best described as a prayerful psalm), jazz and the Christian faith have a long and rich history of beautiful interaction. Jazz is grounded in the spirituality of the American south and finds expressions in clubs and concerts and churches across the world today.

It's poetry. It's soul. It's worship.

Join us for an evening of jazz and worship music featuring musicians from the Christ Church *Six O'clock Service*. This ensemble will be joined by vocalist *Johanna Cabili-Reuss* and special guests: the *CCV African Drummers*. The evening is open and free of charge, but donations are welcome and will go to the church's music programme.

FRIDAY, OCTOBER 5, 7PM
